

The "Health Appraisal Comprehensive" (HAC) Report (Sample below).
This Report is a Summary BarGraph of the client's Nutritional Symptoms
based upon Nutritional Research by Cornell University.

Here is the "Before" HAC Report (11/20/01) of one client and
where she was Three Months Later (2/3/02).
The 3-Month Report is not her final report, simply where this client was
when Dr. Smith needed a Sample of the HAC Report for this presentation.
