INSTRUCTIONS (lower case sensitive)						
User Names: User's Name is the first word OR abbreviations in the Table Of Content Main Title (Column 2) and the Sub-Title (Pop-Out) Web Pages (Col. 3).					0101199R012016	
Password: Passwords not provided above are fee-based special program web pages and clients are provided the passcode after payment, when the program is required as part of their Therapeutic or Maintenance Program of Care. With "clientsonly" and "subscriber" passcodes, clients can open all other pages. Additional Password Columns: Though User's Name will remain the same, periodically, passwords will change. Notification will be provided through our Constant Contact emailing list service or a direct email from Dr. Smith to the client will be sent to clients who qualify for fee-based special program password changes. In either case: Subject Line will read: "Password Change." Upon receipt, pencil new password in Column 6 or 7. Note: Some Main Title Webpages in the subscriber and clientsonly sections of website are not passcode protected. These are Introductory Web page to explain the Sub-Title webpages linked to them.
